Alzheimer Society

Third Age Outreach
Specialized Geriatric Services
St. Joseph’s Health Care London

Renowned for compassionate care, St. Joseph’s is one of the best academic health care organizations in Canada dedicated to helping people live to their fullest by minimizing the effects of injury, disease and disability through excellence in care, teaching and research.
Grey Matters

Want to learn more about memory and brain health? Grey Matters is a program for older adults who want to learn how to maximize memory.

This program is a partnership between:

The City of London;

St. Joseph’s Health Care, London: Third Age Outreach;

The Alzheimer Society London and Middlesex™;

Funding for the creation of this program was originally provided from the Ministry of Health Promotion and Sport.

The program is for older adults who want to learn more about memory and brain health. This program is NOT designed for those who have been diagnosed with Mild Cognitive Impairment, Alzheimer’s Disease, or any other dementia.
