

Job Posting: Community Support Services (CSS) Dementia Educator

Position: CSS Dementia Educator, Part-time

Location: Alzheimer Society London & Middlesex, 435 Windermere Rd London (with travel required to community partner sites) and remote from home.

Status: Permanent Part-time, 21 hours per week, occasional evening and weekend work required

Immediate Supervisor: Communications Manager

Indirect Supervisor: CEO – Alzheimer Society London and Middlesex

About you: You are an enthusiastic, highly organized person with a passion for health sector-related education and promotion, ideally with experience or interest in issues around age-related cognitive functioning. You are well versed and adaptable in using various types of technology, proficient in giving dynamic presentations to internal and external audiences. You have a good knowledge of teaching principals, are inquisitive and enjoy learning and researching. You have good time management skills and can problem-solve through challenging situations and unexpected circumstances.

Summary: In this position, the CSS Dementia Educator is responsible for the delivery of the educational programs of the Society including dementia education and skills development training to a full range of target groups with a particular emphasis on Community Support Services organizations in London and Middlesex, Elgin and Oxford counties. This position will also increase public awareness of the Alzheimer Society through collaboration on the development of a Communications Plan as it relates to health promotion; supporting the Society's communications functions and initiatives; and informing the public and stakeholders through educational programming regarding the symptoms and long-term impacts of Alzheimer's disease and other dementias.

Qualifications:

- University degree/college diploma/ in related field
- Minimum 3 years' experience working in health sector public education and promotion
- Skilled in the use of computers and related software and with an adaptability to learn new technology
- Ability to work independently and with volunteers, staff and community partners
- Maintain a high level of confidentiality
- Knowledge of Alzheimer's disease and other dementias
- Strong verbal and written communication skills

- Driver's license with access to a vehicle
- Valid Vulnerable Sector Police Check screening required
- Experience working with persons with dementia and/or their families an asset
- French or other second language proficiency an asset

Application Process: Deadline – January 4, 2021

COVID-19 considerations: This job may require consistent wearing of proper PPE and completing education in proper Public Health guidelines surrounding PPE and Covid-19 protocols.

Interested applicants will submit a complete application package including cover letter, resume, and the name and contact information of three (3) recent work-related references. Please send the application package in .pdf format to: reception@alzheimerlondon.ca (with the job title listed in the subject line).

All applicants will be screened based on receiving a complete application package and according to the qualifications listed in the posting. We thank all applicants for their interest, only those selected for an interview will be contacted.

As an inclusive employer, we are committed to providing a fully accessible recruitment process. Please contact us at any time during the recruitment process and let us know what accessible supports you may need.
