Have you had changes in your memory?

Are you feeling forgetful?

✓ Are you 60 years old or older?
✓ Do you have trouble remembering things?
✓ Do not have Alzheimer’s Disease?

Would you like to be part of a research study?

Dr. Montero-Odasso invites you to take part in a physical exercise study that may help to improve your memory and mobility.

For more information, contact
(519) 685 4292 ext. 42179
GaitAndBrain.com

When you call in, you will be asked questions about your memory and general health. If eligible, you will be invited to visit the Gait & Brain Lab at Parkwood Institute.

Principal Investigator: Dr. Montero-Odasso, Geriatric Medicine, LHSC
